PRESS NOTE

Muffakham Jah College of Engineering and Technology introduces new course in "Computer Science Engineering (Artificial Intelligence)"

The Muffakham Jah College of Engineering and Technology has been granted approval by All India Council of Technical Education (AICTE), affiliation by Osmania University and permission from the Government of Telangana to start B.E. Computer Science & Engineering (Artificial Intelligence) course from the academic year 2023-24.

The newly introduced course of B.E. CSE (AI) focuses on equipping the graduates with the ability to design intelligent solutions to problems in a variety of domains and business applications such as natural language processing, computer vision, text mining, robotics, reasoning, and problem-solving.

ZAFAR JAVEED
Chairman
Muffakham Jah College of
Engineering and Technology
