

## GHULAM AHMED COLLEGE OF EDUCATION

### ANNUAL REPORT - 2018-19

The B.Ed. and M.Ed. programmes that were made of two years duration from the year 2015, have brought about a paradigm shift from the conventional teacher centric to the learner centric curriculum. The teachers are now being trained as reflective practitioners.

The academic session for the B.Ed. course, 2018-20 batch commenced in August 2018, with **100** students and for the M.Ed. students it started in November, 2018 with an intake of 44 students. The present curricular framework was designed to include a comprehensive coverage of theory and field engagement with the child, school and community. The main focus was on three broad areas: Perspectives in Education, Curriculum and Pedagogic studies and Engagement in the field. The Course is a unique amalgamation of holistic perspectives creating space for inter disciplinary approach with themes cutting across the curriculum.

**Library facilities:** The College library has a collection of about 10,526 books. It subscribes to 11 Magazines, 24 Journals and 7 newspapers. The total number of books added during the current year is 169. The computer and internet facilities are available to the teachers, students and the library staff. CCTV cameras are installed in the library. The students are encouraged to use the library extensively for reference work in their theory subjects, research work, assignments, etc.

**ICT laboratory facilities:** 20 computers with latest configuration are present in the laboratory, they are interconnected and have internet facility. Wi-Fi access points are being planned for the students. Login IDs have been issued to all the faculty members. Practical classes in English language are also conducted in the laboratory.

**Internship Programme:** The B.Ed. students are sent to different schools of twin cities for their Internship for a period of 4 months spread over 3 semesters. According to the rules of the State Government, most of the students were sent to the Government schools for their Internship. The students participated whole heartedly in all the activities of the school. They organized PTA meetings, Science exhibitions and conducted action research.

**Project work:** The students did the project work either individually or in a group. Different topics were assigned to different students to avoid repetition and copying. Practical classes were conducted for the B.Ed students in the **Language Laboratory**. Students were given practice in creative writing, phonetics, expository writing, etc.

**Use of ICT :** Digital e-portfolios were prepared by the students of B.Ed. course. Excerpts of all the activities taken up by them, in 2 years, are show cased in the e-portfolio. Several multimedia presentations were also prepared with the help of PowerPoint in different subjects like Mathematics, Physics, Chemistry, English Language, Social

Studies and Biological Sciences. The students also prepared digital lesson plans, blogs, brochures and newsletters.

The M.Ed students took up classes for the B.Ed students integrating technology (PowerPoint presentations) in their teaching.

**Research work:** The students of M.Ed. course take up in-depth research work every year and submit a monograph report.

**Mentorship :** An effective strategy used to train student teachers is by assigning a formal mentor, to work one-on-one with them. The lecturers of the college are entrusted the responsibility of mentorship. They monitor the progress of the students regularly and help in resolving their problems, if any.
